LATOUR-GIRAUD

Pommard Cuvée Carmen 2020

90 POINTS

“ A somber, even brooding, nose features notes of ripe dark berries, newly turned earth and a whiff of spice. The fresh, full-bodied and intense middle weight flavors display a touch of rusticity on the youthfully austere finale. This will need a few to further flesh out and add depth. ”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
