AALTO

WINE ADVOCATE

95 POINTS

“ The heady and ripe 2020 PS follows the house style and the profile of the regular Aalto from the same vintage, with slightly higher ripeness, more creaminess and toastier oak. It's predictable and very good at it, with abundant, slightly dusty tannins and some chalkiness in the pungent, intense and oaky finish. It has 15% alcohol and mellow acidity. For fans of oaky and ripe Tempranillo. 35,000 bottles produced. It was bottled in September 2022 after 21 months in new French oak barrels. ”

About Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
