“ The Ciacci Piccolomini d'Aragona 2016 Brunello di Montalcino Riserva Vigna di Pianrosso Santa Caterina d'Oro is gorgeous, full stop. It shows an incredible level of Sangiovese purity and sharpness, and you taste the grape as if you were eating berries straight out of the vineyard. On top of that healthy and bright primary material, the wine layers on elegant aromas of spice, ferrous earth, balsam herb and red rose potpourri. The aromas meet with seamless integration and segue to ongoing depth and complexity offered to the palate. This Riserva is rather delicate in terms of mouthfeel; however, it is powerful and long, with high alcohol, polished tannins and a silky texture. A hint of sweet cherry mixed with menthol freshness pulls it together at the end. ”

About Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
