DOMAINE NICO

Grand Mère 2021

92+ Points

Robert Parker
WINE ADVOCATE

I tasted the 2021 Grand Mère Pinot Noir next to the 2020, and it showed more contained ripeness (13% alcohol) and even better integration of the oak. It fermented with some clusters, less than the rest of the range here, and matured in French oak that was selected very carefully to not mark the wines. It's floral, clean and elegant, with a medium-bodied palate and refined tannins with a long finish where the flowers and red berries are intermixed with some spices and a dry, stony sensation. 14,890 bottles were filled in August 2022.

À propos de Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
