WINE ADVOCATE

95 POINTS

“

The 2020 La Savante Pinot Noir was produced with fruit from the vineyard called El Mirador, 1.45 hectares planted in 1994 with Pinot Noir clones 115 and 777 in the monastery part of Gualtallary at 1,450 meters in altitude; the vineyard is certified organic. 2020 was a warmer year, and the wine shows it when you taste it next to the 2021, which is cooler. This is a little rounder, with 13.5% alcohol and mellow acidity, with more cherry than flowers, tasty and juicy. It finishes dry and chalky. 5,953 bottles produced. It was bottled in December 2019.

À propos de Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
