La Savante 2021

95+ Points

Robert Parker
WINE ADVOCATE

“

The 2021 La Savante Pinot Noir was produced with grapes from a plot in Adrianna Vineyard in Gualtallary at some 1,450 meters in altitude, a pure limestone plot between two small hills that is shadowed in the afternoon (similar to that from White Bones); so, it's a cooler place that delivers moderate alcohol (13%) and very good freshness (it has a pH of 3.42). It's varietal, aromatic and very clean, with good precision and a fine thread in the palate. 5,640 bottles were filled in August 2022.

À propos de Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
