“

The 2021 G Lot Chardonnay is an elegant and harmonious Chardonnay produced with grapes from a plot in the Adrianna Vineyard from Gualtallary at 1,400 meters above sea level. It fermented in 500-liter oak barrels, where it matured for one year. It has a restrained and classical nose of barrel-fermented Chardonnay, faintly spicy and smoky with purity of fruit, very clean and precise. The wine is sharp and austere, fresh and with chalky minerality.

About Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
