BURGHOUND.COM

The ultimate Burgundy reference

“ (70% of the blend comes from cru vines in Beaujolais and the other 30% from the Hautes Côtes de Nuits). A restrained and ultra-fresh nose is comprised by notes of red cherry, raspberry and a hint of earth character. The sleek, delicious and slightly finer-textured flavors possess slightly better depth along with a subtle minerality that emerges on the ever-so-mildly austere finale. This is a quality Bourgogne. ”

À propos de Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
