Jackaman's Cabernet Sauvignon 2019

Robert Parker
WINE ADVOCATE

93 POINTS

“ The 2019 Jackaman's Cabernet Sauvignon was matured for almost two years in French oak, yet the wine is not overwhelmed by oaky characters. It is, make no mistake, defined by the shape of the oak; however, if anything, the time in wood has softened the tannins and made for an all-round silky drinking experience. Mulberries, blackberries and cassis in profusion forgive the exuberance of the oak and allow the wine to stride through the finish. Some additional years in the bottle will further ameliorate this oak—the fruit has got the requisite power. Very good. ”

About Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
