Pinot Noir Hemel-en-Aarde Ridge 2022

WINEMAG.CO.ZA

Everything to do with South African fine wine.

95 POINTS

“The recently released 2022 vintage is again from Hemel-en-Aarde Ridge vineyards farmed by La Vierge with maturation lasting nine and a half months in 228-litre barrels of which 33% were new. The nose shows top notes of musk and violets before red and black cherry, earth, pomegranate and spice while the palate has great fruit definition, bright acidity and fine tannins, the finish remarkably dry. With good depth of flavour but also plenty of verve, this is dead sexy.”

- Christian Eedes, January 2023
