## DOMAINE DE LA MORDORÉE

### Tavel La Reine des Bois 2022

Domaine de la Mordorée

*Robert Parker*  
WINE ADVOCATE

93 POINTS

A blend of 60% Grenache, 20% Syrah, 10% Cinsault and 10% Clairette, the 2022 Tavel La Reine des Bois is a touch darker in hue than its stablemate, the La Dame Rousse, but it's still not among the darkest of Tavels in the glass. That's perfectly okay, as the aromas and flavors are textbook for the appellation: crushed stone, flowering garrigue, ripe cherries and mouthwatering strawberries, all capped off by refreshing citrus-zest notes on the lengthy finish. Full-bodied and full-flavored, it's one of the candidates for top Tavel this year.

- Joe Czerwinski, May 2023

#### About Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
