BURGHOUND.COM

The ultimate Burgundy reference

“ This also flashes plenty of classic Chablis character though with much more citrus influence. Once again there is fine underlying tension to the delineated and mineral-driven flavors that possess a sleek mouthfeel while displaying fine length on the balanced finale. This also needs more depth so a few years of cellaring should prove to be beneficial. ”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
