# Descor ChadOS

90 POINTS

A rosé made from criolla grapes, all from vineyards in eastern Mendoza, especially from the Finca Los Paraísos estate, and grown on sandy soils under the intense sun of Rivadavia some 600 meters above sea level. This is fresh and juicy with crunchy acidity and fruity flavors that make it ideal to drink for quenching thirst in the summer.

## About Descorchados

Descorchados is the main reference for South American wines. Since 1999, this guide has been analyzing the wine scene in this part of the world, giving consumers and trade an overview of what Argentina, Chile and Uruguay produce, from the most expensive to the cheapest wines; from big wine companies to tiny artesanal producers. In order to expand our coverage, this year we have included the sparkling wines from Brazil, an amazing journey you must taste.
