CATENA

Nicolás Catena Zapata 2020

Robert Parker
WINE ADVOCATE

95 POINTS

2020 was a very dry and low-yielding year, with 20% to 30% less crop, and the grapes were picked early. The 2020 Nicolás Catena Zapata was produced with a blend of 54% Cabernet Sauvignon, 25% Cabernet Franc and 21% Malbec, higher in Franc than ever, for the first time more than Malbec, to compensate the warm and dry conditions. The wine is ripe and very peppery, with 13.9% alcohol and a pH of 3.64. It matured in new and second-use French oak barrels for 18 months. It was a healthy crop with concentration and ripeness, and the wine comes through as powerful and quite classical, still a little oaky, with power and balance.

À propos de Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
