CATENA

Cabernet Sauvignon High Mountain Vines 2021

Robert Parker
WINE ADVOCATE

91 POINTS

Similar to the Malbec, the 2021 Catena Cabernet Sauvignon was also produced in an approachable and commercial style, with good ripeness, some varietal character and a combination of berries, herbs and spicy oak that makes it attractive and easy to understand by most people. It's medium-bodied with clarity of flavors and aromas and fine tannins. It finishes with an herbal and spicy Cabernet note.

À propos de Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
