EL ENEMIGO

Cabernet Franc 2019

Robert Parker
WINE ADVOCATE

92 POINTS

“ It was curious to see how the Cabernet Franc in cooler years seemed to have ripened more thoroughly, and the 2019 Cabernet Franc and the 2021 felt riper than the 2020, with darker fruit and a headier sensation, despite all being around 13.5% alcohol. These bottlings are never 100% from the variety, and this one contains some 10% Malbec. It has some spicy oak in the background. ”

About Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
