Cornas 2020

(91-93) POINTS

JEB DUNNUCK

“ I loved the nose of the 2020 Cornas, and this pretty, medium to full-bodied Cornas shines for its purity of fruit as well as balance. It's very floral on the nose and has plenty of more blue-tinged fruits, silky tannins, and a great finish. ”

About Jeb Dunnuck

The JebDunnuck.com website is a subscription based, bi-monthly publication dedicated to providing cutting-edge, independent commentary and reviews on the top wines and wine regions of the world. While my core editorial focus is to cover Southern France, Bordeaux, California and Washington, I also plan to give readers periodic articles on other world-class and emerging global wine regions, as well as in-depth coverage on the wine portfolios of top US importers.
