DOMAINE JAMET

Côte Rôtie Cote Brune 2019

(97-99) points

JEB DUNNUCK

“ The 2019 Côte Rôtie Côte Brune is quintessential Jamet with its aromatics, balance, purity, and length, as well as just classic, old-school Côte Rôtie flair. Offering up lots of red, black, and even some blue fruits, it has ample bacon fat and liquid flower nuances, full-bodied richness, a multi-dimensional texture, and a great, great finish. It's another wine Northern Rhône lovers need to have in their cellar, and it's going to check in with the greats from both this producer and the appellation. ”
