## MAX FERDINAND RICHTER

### *Riesling Spätlese Veldenzer Eisenberg* 2022

“ From 70- to 80-year-old vines picked four weeks after the Kabinett and with about 10% botrytis, the intensely yellow 2022 Eisenberger Riesling Spätlese opens with a deep, intense and complex nose of blueberries, yeast and crushed stones. Round and lush on the palate, with raisin and nutty notes, this is a textured, very complete and elegant Riesling with stunning acidity for this vintage (at about nine grams per liter). This is a complex and promising, pretty unique Spätlese with great aging capacity and a vital, saline and savory finish. 7.5% stated alcohol. Natural cork. Tasted at the domaine in May 2023. ”

#### About Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
