## DOG POINT VINEYARD *Sauvignon Blanc 2022*

*Robert Parker*  
WINE ADVOCATE

94 POINTS

The 2022 Sauvignon Blanc has such a maritime nose of ocean spray, beeswax, saltbush and wet rocks, but it's also steely; there's graphite and pencil shavings. What a joy. In the mouth, the wine floods every available square millimeter with flavor. This is elegant, saturated with fruit flavor and textural too. Super wine. This is a classy estate growing organic fruit (the largest organic grower in New Zealand) and responsible for wines that drink well now and cellar well too. Blue chip. 13% alcohol, sealed under screw cap.

### About Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
