TOLPUDDLE

Chardonnay 2022

Robert Parker
WINE ADVOCATE

97 POINTS

The Tolpuddle Chardonnay is routinely a class act, polished and piercing in every vintage iteration, and somehow delivers a deeply satisfying, comforting flow of flavor atop the more intellectual framing that it is known for. Here, the 2022 Chardonnay leads with white peach and flowers, layers of green apple, saltbush, ocean spray, gently leafy herbs and tobacco to close. In the mouth, the tannins expand to fill the space, creating a capacious feeling—a cavern, almost. Suffice it to say, this is a wonderful wine, again. Gently grippy through the finish, it's totally composed. 13.5% alcohol, sealed under screw cap.

About Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
