**BURGHOUND.COM**  
The ultimate Burgundy reference

“ Generous if not dominant wood fights a bit with the similarly exotic aromas of lemon confit, tangerine rind, white peach and apricot scents along with a floral top note. The sleek, vibrant and tautly muscular broad-shouldered flavors are not quite as concentrated though they do possess a highly attractive texture as well as better depth and persistence. ”

#### À propos de Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
