**BURGHOUND.COM**

The ultimate Burgundy reference

“

A deft application of wood sets off very fresh and bright aromas of just sliced citrus and green apple. The delicious, racy and detailed middleweight flavors exude evident minerality on the moderately austere, lemony and bone-dry finale. This chiseled effort will need at least a few years of keeping to unwind.

#### About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
