BURGHOUND.COM

The ultimate Burgundy reference

“

Pungent aromas of moderate wood and reduction mask the underlying fruit. More interesting are the delicious, concentrated and vibrant medium weight flavors that possess a touch of orange peel character while delivering solid length on the powerful, clean, dry and balanced finale. This could use better depth but a few years of keeping should be helpful.

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
