BURGHOUND.COM

The ultimate Burgundy reference

“

A touch of green tea character sits atop the aromas of plum, cherry and more prominent sauvage nuances. There is a really lovely mouthfeel to the suave, round and powerful medium-bodied flavors that also display evident minerality on the slightly more complex but noticeably more persistent finale. At least some patience will be necessary as this is quite tightly wound.

À propos de Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
