BURGHOUND.COM

The ultimate Burgundy reference

“

Moderate wood surrounds the ripe, fresh and exotic aromas of plum, black cherry, sandalwood and jasmine tea. The sleek, concentrated and powerful larger scaled

flavors exhibit excellent drive on the refined and hugely long finish where the wood reappears. This is an imposing wine in the context of the 2021 vintage and even though it is on the oaky side today, there is sufficient density to progressively integrate it over time..

À propos de Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
