Decanter

the world's best wine magazine

95 POINTS

“ This wine features an amazingly silky texture yet impressive density. There is abundant ripe pomegranate, currant fruit, and notes of rose petals and spice. The complexity and length on the palate ensure that this is among the vintage's top wines. It is produced from two small plots that total 0.13 hectares. The grapes are partly destemmed and fermented directly in the same cask in which the wine will age. Faiveley Musigny is a reference for the appellation and among their greatest reds. ”
