“

The nose of the 2015 Champagne Millésime Brut is confectioned and sunny, although it keeps a fresh fruit profile without oxidation, offering notes of preserved strawberry, fresh pressed roses, and grapefruit. The palate is more open knit than the previous two vintages and is the most approachable for drinking now. It is flush with fresh raspberry, salted citrus, and a floral profile continuing through the end. Drink over the next 10 to 15 years.
