La Savante 2022

Descor Chados

96 POINTS

This is a delicate version of pinot noir. Made with 50% whole clusters and 12 months of aging in barrels, 10% of them new oak, it offers tart red fruits and herbal notes. The palate is tense and marked by sharp and penetrating tannins, very much in tune with the calcareous soils that are common in Gualtallary and that tend to give that chalky sensation on the palate. The acidity is fresh and crisp. A pinot noir of tension. Savante comes from a vineyard about 100 meters higher than Histoire D'A, still in the Adrianna vineyard in Gualtallary. It's a 1.45 hectare parcel planted in 1994 on calcareous soils, about 1,450 meters high.

About Descorchados

Descorchados is the main reference for South American wines. Since 1999, this guide has been analyzing the wine scene in this part of the world, giving consumers and trade an overview of what Argentina, Chile and Uruguay produce, from the most expensive to the cheapest wines; from big wine companies to tiny artesanal producers. In order to expand our coverage, this year we have included the sparkling wines from Brazil, an amazing journey you must taste.
