Descor Chados

95 POINTS

One of the best syrahs in South America today, this wine offers a refreshing, fruity take on the variety. It's still young, but it's also deep, with delicious tones of spices and some of the variety's classic meaty notes. On the palate it's succulent, but the tannins and acidity are firm and the texture is tense and nervy, which helps the fruit express itself even more vigorously. This syrah is from a vineyard planted in La Consulta 54 years ago, making it rather older than your average South American syrah. It was aged in barrels for a year, 35% of which were new oak.

About Descorchados

Descorchados is the main reference for South American wines. Since 1999, this guide has been analyzing the wine scene in this part of the world, giving consumers and trade an overview of what Argentina, Chile and Uruguay produce, from the most expensive to the cheapest wines; from big wine companies to tiny artisanal producers. In order to expand our coverage, this year we have included the sparkling wines from Brazil, an amazing journey you must taste.
