# THE THIRD TWIN

## JEB DUNNUCK

98 POINTS

More black and blue fruits as well as leather, iron, and smoked herb notes emerge from the 2020 Nuestra Senora Del Tercer Gemelo, and it picks up more dried flowers, spice, and sandalwood notes as it sits in the glass. Based on 54% Mourvèdre, 22% Grenache, 11% Syrah, and the rest Petite Sirah, Graciano, and Viognier, it hits the palate with full-bodied richness, a dark, layered, exotic style, beautiful tannins, and a great finish. It's a singular, complex, nuanced beauty that will have two decades of overall longevity.

The JebDunnuck.com website is a subscription based, bi-monthly publication dedicated to providing cutting-edge, independent commentary and reviews on the top wines and wine regions of the world. While my core editorial focus is to cover Southern France, Bordeaux, California and Washington, I also plan to give readers periodic articles on other world-class and emerging global wine regions, as well as in-depth coverage on the wine portfolios of top US importers.
