BURGHOUND.COM

The ultimate Burgundy reference

“ Moderate wood again frames the fresh and unusually expressive nose of forest floor, the sauvage and various wild red berries. There is impressive concentration to the powerful and tautly muscular medium-bodied flavors that display excellent length on the very firm finale where the only reproach is a touch of warmth. This is already attractively complex and a wine that should age gracefully over the next 12 to 15 years. ”

À propos de Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
