BURGHOUND.COM
The ultimate Burgundy reference

“ An exuberantly spicy nose features notes of clove, anise, sandalwood and jasmine tea on the nose of mostly black cherry, all of which is framed in moderately generous wood. There is outstanding intensity to the utterly delicious flavors that culminate in a strikingly persistent and balanced finish where a touch of wood eventually reappears. This could use better depth but a few years of keeping should prove helpful. ”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
