BURGHOUND.COM

The ultimate Burgundy reference

“

(blended from 3 separate lieux-dits, two near the bottom and one near the top). Relatively generous wood fights somewhat with the distinctly earthy, ripe and fresh nose that blends both red and dark pinot fruit. I very much like the texture of the solidly concentrated and sappy larger-bodied flavors that exhibit good power on the balanced, youthfully austere and compact finale. While qualitatively similar to the Ech, the two wines offer very different expressions.

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
