The ultimate Burgundy reference

“ A pungent nose of wood toast and reduction dominate the nose. More interesting are the fresh and vibrant broad-shouldered flavors that possess both excellent volume and delineation while delivering impressively length on the powerful, youthfully austere, firm and very serious finale where a hint of warmth gradually makes itself known. This is excellent and like all good examples of Corton, very much built-to-age. ”

#### About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
