FAIVELEY

Latricières-Chambertin Grand cru 2022

(from a large 1.21 ha parcel). There is enough wood influence to merit pointing out on the airy, cool and layered nose of both red and dark currant, the sauvage and plenty of forest floor character. The super-sleek, intense and markedly mineral-driven flavors possess an almost delicate mid-palate mouthfeel that contrasts substantially with the powerful, driving and wonderfully long, if decidedly firm, finale. This is not only excellent but it's textbook.

À propos de Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
