Sauvignon Blanc 2023

Robert Parker
WINE ADVOCATE

93 POINTS

“ This is only the second 2023 vintage I have tasted in bottle—perhaps not relevant, but it’s an indicator that the year is moving on with pace. Leading with juniper and cassis, the 2023 Sauvignon Blanc is fresh and pert, with bright fruit and fine, chalky phenolics. I really like this wine, but then again, everyone in Australia really likes this wine. Every single year it delivers this experience of reliably good drinking. Famous for a reason. 12.% alcohol, sealed under screw cap. ”

- Erin Larkin, November 2023

About Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
