DOMAINE DE COURCEL

Pommard 1er cru Fremiers 2022

The ultimate Burgundy reference

“ Once again very ripe aromas of cassis, poached (but not cooked) dark berries, earth and a whiff of menthol precede the firmer but slightly less concentrated larger-scaled flavors that flash evident power on the balanced, austere and compact finale that delivers sneaky good length. This is a big and compact wine that is frank in its delivery. As such, it's robust, even burly, Fremiers that is pointless to buy unless you expressly intend to cellar it appropriately. ”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
