FINCA VILLACRECES

Pruno 2020

93+ Points

Robert Parker
WINE ADVOCATE

Having the 2019 to taste next to the 2020 Finca Villacreces reveals how the quality of the 2020 tannins are more elegant, and the wine comes through as finer-boned and fresher too, with power, concentration and structure. It was produced with 90% Tempranillo, 8% Cabernet Sauvignon and 2% Merlot and has 14.1% alcohol and very good freshness. It fermented in raw concrete vats and 10,000-liter oak vats and matured in 225- and 500-liter French oak barrels, with a few more months in foudre and oak vat to complete 15 months, which seem to have given a sleeker and more polished wine with a gentler mouthfeel. 40,500 bottles and 525 magnums produced. It was bottled in May 2022.

About Wine Advocate

The Wine Advocate was a bi-monthly publication and Robert Parker Wine Advocate continues this tradition, although articles and reviews are now published every week. The main goal is to publish regionally focused reports, which mainly offer wine reviews of new wine releases, but they also produce important vintage retrospectives and occasionally single-label verticals and producer profiles. Since 2019, Robert Parker Wine Advocate has been a wholly owned subsidiary of the Michelin Group.
