BURGHOUND.COM
The ultimate Burgundy reference

“ A spicy, fresh and mildly exotic nose of tea, wild red berries and plenty of pungent earth gives way to more obvious mineral-inflected flavors that possess a taut muscularity on the balanced, understated and attractively persistent finish. Even with the muscle, this is essentially a wine of finesse as the supporting tannins are really quite fine. ”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
