BURGHOUND.COM

The ultimate Burgundy reference

“ There is a slightly leafy character to the earthy red and dark berry fruit aromas. The middle weight flavors possess a lovely sense of energy and fine detail that continues onto the attractively textured, complex and relatively refined finale. This is really quite good and should drink well both young and fully mature. ”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
