BURGHOUND.COM
The ultimate Burgundy reference

“ Here too reduction dominates the nose. There is a lovely inner mouth perfume to the concentrated, intense and more muscular middle weight flavors that possess a velvety and seductive mouth feel before terminating in a balanced and slightly rustic finale. In sum this is Nuits in style but a civilized Nuits. ”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
