BURGHOUND.COM

The ultimate Burgundy reference

“ A fresh, cool and moderately restrained nose speaks of various red and dark berries along with plenty of iron-inflected earth, animale and pretty floral nuances. The lush, even opulent flavors certainly don't lack for size, weight and power as they coat the palate while buffering the notably firm tannic spine on the muscular, driving and wonderfully persistent finish. This too is impressively concentrated and built-to-age. ”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
