Wines of People, Place and Time®

N/V

Wine Spectator TOP 100

93 POINTS

“This presents the charmingly herbal, cassis side of cabernet sauvignon from Agrelo -Mendoza's prime source of the variety - with the softness and floral notes of malbec. It has structural stretch in its tannins and acidity, but it's the way the fruit fills the palate that will draw you back for another glass. Delicious now, this will evolve gracefully over the next ten years.”
