91 POINTS

“Weighty, slick, harmonious. I've reviewed this wine a couple of times and I think it's such a wonderful alternative white with incredible personality. Golden in colour and aromas of lanolin, mineral, beeswax and straw flowers, yellow apples, Meyer lemons and just a hint of herbs. It is weighty and tangy, slick in texture and with excellent concentration. It is harmonious and juicy with a long and clean finish.”

About Wine Scores

What is a wine score and how do wine reviewers (I don't refer to myself as a wine critic, I review wine, I don't criticize it) decide on that score? A wine score is a numerical rating wine reviewers give to a wine based on a series of elements. Every wine reviewer (or wine critic) has their own method of getting to a conclusive number even if they use similar guidelines to one another.
