BURGHOUND.COM
The ultimate Burgundy reference

“ (from a large 1.21 ha parcel). A moderately toasty nose is composed by notes of the essence of wild dark berries and humus along with soft spice and floral nuances. There is a bit better mid-palate density to the richer and much more mineral-driven and refined flavors that display excellent delineation on the linear, focused and mouth coating finish. This is youthfully austere effort is beautifully well-balanced and should age accordingly. ”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
