The ultimate Burgundy reference

“

(blended from 3 separate parcels). Here too the wood treatment is less than subtle though on the ripe and fresh earth-inflected aromas of wild red and dark berries, violet and a hint of leather. There is better volume to the rich and well-muscled flavors that possess better mid-palate concentration if less refinement, all wrapped in a youthfully austere and impressively persistent if rustic finish. I like the complexity and overall, there is just a bit more here.

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
