 **BURGHOUND.COM**  
The ultimate Burgundy reference

“ A softly wooded and slightly more elegant nose displays a subtle exoticism on the cool acacia blossom, lemon, Asian-style tea and white fruit aromas. There is a lovely sense of underlying tension to the more evidently mineral-driven flavors that don't possess the same richness or volume but are markedly finer on the highly persistent if ever-so-mildly warm bone dry finish. This isn't quite as fine as the Bouchères but offers slightly better overall depth and persistence. ”

#### About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
