The ultimate Burgundy reference

“ This too is wonderfully elegant with its airy and distinctly cool blend of mineral reduction, green apple, spiced pear and jasmine tea. The sleek, sophisticated and focused middle weight flavors brim with both dry extract and an almost pungent minerality on the textured and exceptionally intense finish that goes on and on. This is really lovely though note well that at least some patience will be required. ”

About Burghound.com

Burghound.com is the result of a nearly lifelong passion for the wines of Burgundy. For more than 30 years, I have been collecting the wines and visiting the region. Each year I spend nearly five months visiting, researching, tasting, exploring and evaluating. Burgundy is my obsession really. Expanding on my coverage of the coveted pinot noir grape, each issue provides continuous coverage of both Oregon and California pinot noir, with rotating coverage of Champagne and occasional special reports from other pinot producing regions.
