SANTA EMA

Cabernet Sauvignon Amplus 2016

DescorChadOS

94 POINTS

The Pirque vineyards were planted by Santa Ema in 2012, about a thousand meters high, along with the "second leaf" vineyard, just two years later. This wine is very interesting with hints of spice and menthol touches, along with deep and juicy red fruits. A way to experience a high elevation red wine from Chile. *Translated from Spanish*

About Descorchados

Descorchados is the main reference for South American wines. Since 1999, this guide has been analyzing the wine scene in this part of the world, giving consumers and trade an overview of what Argentina, Chile and Uruguay produce, from the most expensive to the cheapest wines; from big wine companies to tiny artesanal producers. In order to expand our coverage, this year we have included the sparkling wines from Brazil, an amazing journey you must taste.
